

THE MIRROR

When you see a puzzle named "The Mirror" with reflected letters, the natural thing to try is looking at it in the mirror.

l	o	w	u
s	e	u	x
v	n	i	c
h	o	l	a
i	n	g	e
o	d	c	h
a	x	v	l
w	r	a	c
t	e	r	s

The letters which **change** when reflected spell a hint: USE UNCHANGED CHARACTERS.

Now, if you mark the letters which **don't change** when reflected, and look at the reflection of the puzzle again, you'll recognize Braille alphabet: there are 6 blocks of 2x3 cells, and each block spells a letter.

ANSWER: MOSAIC
